Production Personnel

Third party suppliers and service providers

3. Purpose of processing:

Initial casting information (collected in response to casting process) and background checks (including where applicable personal disclosure of criminal convictions) are required to assess and verify the suitability of individuals to contribute to the Programme and to work together on a common project. This may include Potential Contributors, Contributors and Production Personnel

Production Personnel contracts, payment and performance of services for contractual purposes

Contributor contracts in connection with the provision of each Contributor’s contribution

The lawful basis for processing is performance of a contract in respect of contributors, clinicians and production personal / carrying out our obligations under employment law, in relation to work place health and safety and child protection policy / our legitimate interests

Statement of Health forms to be completed where required by the insurers by Contributors and/or Production Personnel - for insurance purposes

In addition, we rely on consent as the lawful basis for:

- (i) collecting and processing special category data; and
- (ii) inclusion of Potential Contributor or Contributor contact data on a casting database to enable them to potentially be contacted about other Programmes being produced by the production company

PROVIDED THAT such consent may be withdrawn by the Potential Contributor or Contributor at any time

Mentorn Media Limited production-specific data protection statement
